

.kyoto Acceptable Use Policy

This policy sets forth activities considered abusive use of .kyoto domain names, and actions Kyoto Jyoho Gakuen (“the Registry”) may take in response. The Registry periodically conducts technical analysis to assess whether domain names in the TLD are being used to perpetrate security threats such as pharming, phishing, malware, and botnets. In addition, as an educational institution, the Registry operator will promote .kyoto through education and awareness surrounding Internet usage.

Abusive use of .kyoto domain names may be reported or to:
